SUNYAKWA

Hello again fellow arrowmen, and thank you for all your help in these past few months. Thanks — again to those who staffed winter camp, we really needed you.

To those of you who helped with Unit Elections, Vice Chief David Libby has reported 100% completion, so no more calls in the afternoon to ask for your help as of yet. Good job guys!

Well, as you know, the Camporee is coming up and we need people to staff. If you are interested, call Rich Meeks (392-1642) for more details.

Until next time,

To whom it may concern,

The OA is Cheerful Service with a "Thank You" you feel inside. Many times we are told the job could or should be done better and many times we try harder with less people. Satisfaction within is sometimes the only thanks you get for a job well done. When you get to the point where you know you did your best, no matter what others say, then you'll get that feeling of satisfaction that no certificate, award, pat on the back, or thank you can equal. Some time, when you're up to here with the Cheerful Service duties that are piled on

you, think back to the people you've helped who don't even know it. What would winter camp cost if we did not staff it for free? How much would the council make selling food if we did not man the booths at Scout Show? We do a heck of a job, no matter what you hear. Many times our hours of irksome tasks are taken for granted because we've done it for so many years.

Do your best (the Cub Scout motto) is all you can ask of yourself. I hope all of you can look back on your time in the Order of the Arrow and say "I've done my best" and can feel good about your cheerful service.
